**SPECIAL GUEST**

Mr. Tom Madrecki

Director of Urban Innovation and Mobility

United Parcel Service

*“Innovation and Industry Challenges: The UPS Perspective”*

In his role as director of urban innovation and mobility, Tom Madrecki leads UPS's efforts to partner with cities on ways to reduce congestion, increase quality of life and drive mutually beneficial policy decisions through pilot projects, academic research and best-practice sharing. Previously, Tom was a strategic communications manager specializing in federal policy issues including transportation infrastructure and sustainability. A past legislative assistant at UPS from 2010-2011, Tom rejoined UPS in 2013 after serving as the chief spokesperson for Smart Growth America, a non-profit organization focused on sustainable urban planning. In his spare time, Tom is an avid cyclist and even more avid cook, having also worked as a chef in Paris and Copenhagen.
